Technical rider

musicians: 2

in-puts needed: 6

out-puts needed: 3

monitor-sound: 2x Inear Behringer P1

Channel	Instruments	Prefered Mic (sth similar will do) / what we need
1 Jan	Loop-Machine RC 300 mit Samples (Bass, Drums)	DI Mono
2 Jan	2.1 E-Git 2.2 Drum Pad 2.3 Acoustic Git	3x DI Mono, als Summe/Gruppe zurückgeben (für Loop)
3 Jan	Live Mic	XLR with Reverb
4 Jan	Inear monitoring Behringer P1	XLR
5 Anni	Loop-Maschine RC 30 3.1 Loop Mic 3.2 Roland Juno (Rhodes, Bass, Synthies)	DI Mono
6 Anni	Inear monitoring Behringer P1	XLR
7 Out Put	H4 Zoom	We would like to record the sound and need 1 Output

We want to do the soundcheck as listed above. We´ll need 30 - 40 min.
We´ll bring our own Mics. We just need 2 Mic stands and 6 DI Boxes.

It´d be nice to have a room/place to store our bags and stuff. We travel by car and would appreciate a parking spot if however possible.

Thank you for all your work! -anni YU & Jan Benkest
